Your reliable Partner for work on Ukrainian grain market

AGRARIAN FUND PUBLIC JOINT STOCK COMPANY

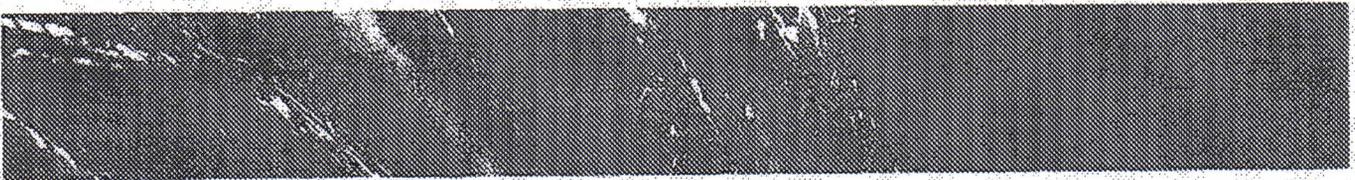

Basics

AGRARIAN FUND PUBLIC JOINT STOCK COMPANY

Over the last years, Agrarian Fund has formed up management over a solid infrastructure, which includes the following:

- around 200.000 ha of cropped land under the contracts;
- more than 300 local Agricultural producers as a Customers annually;
- more than 250 year-round procurement and distribution certified warehouses;
- more than 80 processing facilities;
- largest Forward Contract Program in the Country;
- accessibility to various financial and investment products for our Customers and Partners.

Opportunities

AGRARIAN FUND PUBLIC JOINT STOCK COMPANY

Maintaining long-term relationship through tailored Customer approach.

Market opinions

We consider long-term relationships as the most valuable asset in our business. Therefore, market opinions that are presented allow the Customer to have a material impact on every single decision that is made.

Price discovery

Ability to procure commodities directly from the Agricultural producer and store them closely to the origin point until sufficient volumes reached to make transportation and logistics commercially viable is a key factor for a good pricing.

Timely product delivery

Efficient delivery of the commodity to the Customer is another key piece of supply chain. By precise management of transportation and logistics, we are able to achieve cost savings and efficiency.

Opportunities

AGRARIAN FUND PUBLIC JOINT STOCK COMPANY

Business practice

- Understanding importance of Integrity and Reputation, Agrarian Fund implemented and observes risk management, social and environment responsibility and anti-corruption policies for its activities;
- Hedging of the physical commodity trade is done in close cooperation with international insurance companies;
- Being a state owned enterprise allows Agrarian Fund to cooperate and communicate effectively with all agrarian market players on-ground, including Agricultural producers and their Associations, Agrarian Stock Exchange and State Authorities involved in support of Agricultural sector.
